## The Directors Cut

G'day longboarders and welcome to our april newsletter and up coming club round. Well we have had plenty of swell along our shores for the last month or so unfortunately we've also had a fair bit of onshore wind to go with it.

Hopefully everybodys found some clean waves tucked in behind some points or headlands along the coast. Im not sure what huey is doing thiiis year but hes certainly a bit erratic so far, although we love continuall swell. Last months club round had good 3 to 4ft sets and started off clean until the onshore came up and spoiled it a bit. We had 18 heats for the day and most were 5 surfer per heat until the devil wind came in which caused a few competitors to pull out and head for the hills.

Hopefully we will get those classic winter conditions this year with swell and sunshine and allthings good for the next few moths. Winter classic is only 7 weeks away so get your name down to secure a spot in the comp. if anyone can help out with the winter classic comp please let a committee member know, any help is much appreciated. Our next club club round is Sunday the 29<sup>th</sup> of april so be there or be square, it will be pumping aand offshore all day with any luck. See you out the back!

Drew.
